Message from President Natalie Conrad

Greetings!

Every eight years, each Soroptimist federation has the opportunity to provide a nominee to the Soroptimist International Board of Directors for the office of Soroptimist International President 2020-21. It is SIA's turn to provide a nominee. There was only one nominee this year, Sharon Fisher. We must take a vote on this so please [click here](#) to read her resume, so that you can cast your vote at club tomorrow.

And a big thank you to those who will be at the District meeting on Saturday - your attendance means a lot to me (and the club)!

Soropti- Stuff
by Carolyn Dusenbury

The first Soroptimist club was formed in Oakland in 1921. The first project was to "Save the Redwoods." The club lobbied the legislature, taking on powerful lumber companies, and winning public support, which resulted in a major portion of the forest being set aside as protected land.

Story

Thousands of starfish washed ashore. A little girl began throwing them in the water so they wouldn't die. **"Don't bother, dear,"** her mother said, **"it won't make a difference."** The girl stopped for a moment and looked at the starfish in her hand. **"It will make a difference to this one."**
