Message from President, Julie Curl

Can you believe it is October already? I need to come clean with all of you. My first business meeting felt like I was jumping out of a plane, my heart was beating so fast, I knew that it would be okay, but holding up that microphone for the first time really felt as if I was taking a step out of a plane, luckily my parachute - you all - kicked in. Thank you again for electing me your 2016-2017 President!

This meeting is our 2nd Business Meeting and there are many motions that will need to be voted on. One of them will be on my Presidents Project. I am hoping that you will be there to have your vote matter. Also, retreat is this coming weekend!!! The Special Events Committee has been working long and hard to make this a success for you. I hope you are as excited as I am.

See you Wednesday.

President Julie

Tech Tools FAQ

Last week Pub.Com held their first Tech Tools Training for the Officers and Co-Chairs. We had a great turnout. Thank you all for coming and a big thank you to our trainers for their time and expertise. To keep our training to the allotted time frame, we had asked all the participants to write down their questions so we can collect and then respond to everyone at the same time. Below is a summary of all the questions and answers.
