Signups are currently happening for the Home and Garden Show, we are asking for 200% participation. What that looks like is to have everyone in club pick 2 shifts - if at all possible. We added the beer garden and stage people and breakfast serving with those additional areas, we are really needing everyone to help as much as possible. This is our 31st year putting on the Home and Garden Show and we would really like it to go smooth, with more volunteers it will be easier.

The Fundraising Committee is going full force and has an AMAZING event for us in the fall - Natalie and I heard from the co-chairs last week and truthfully the event they are planning is going to be fun, easy and a \$\$ maker - better than that it is a 1 night event! Great things are coming!!

This week is a business meeting - lots of things are on the agenda, including the official nominees from our nomination committee. Hope you all can make it.

Respectfully, President *Julie*
