Greetings!

I just got back from the Soroptimist Development Retreat in Reno this past weekend. It was very informative. I had the pleasure of learning lots and lots of wonderful things along with six of our other members. The Treasurer's took a two part course on their job duties that provided lots of specific insight. Our Recording Secretary was able to meet personally with the District Recording Secretary and even was able to get her hands on a new template. Lots of ideas shared and I would say lots of personal growth. Put it on your calendar for next year July 2018 instead of seven of us let's get 20.

See you at lunch!

**In Service,
Natalie Conrad**

Be on the look-out ladies! In upcoming E-blasts this summer you will begin to see the first of several different types of jobs that will be available for sign-up. Each of us will be helping with this event in some capacity (just like the Home and Garden days), so please plan on making a commitment to helping with one of the various tasks. We appreciate your willingness to assist and make this new event a huge success!
